

Notes  
INPUT ... Religion in Secular Age ... REKUN  
John McKendry <sup>blonde</sup> never spoke over

Shant

We can't prove or disprove that idea that  
God is something we are creating by the  
way we exist — as much as some-  
thing we are working toward —

Bruce Jordan  
(Colored)

Black Power —

real Bl. pow is Rev Sullivan's  
shopping center —

(Sat nodding while the white talked)

Shant

particularly applicable to  
Soldiers — people who are doing  
spec. hard work —

The idea of man's "Fall" — <sup>all</sup> <sup>turn</sup> <sup>Western</sup>  
You just can't get away from it

Whether it was thought up by some  
very smart guy a long time ago or  
or was given to us by God  
or is just a human tendency

— All male, all "Christian" —  
all or white oriented negro

14339 You couldn't just get 6 people off the  
street to <sup>somehere to talk</sup> ~~about religion~~  
\* [Religion] may not be an impulse  
that exists in other people

Stuart

The whole Western Judeo-  
Christian thing succeeds so well  
because it is so relevant to everyone
